

Clarke Inc. Announces Intention to Make a Substantial Issuer Bid for its Shares

Halifax, Nova Scotia – December 7, 2017 – Clarke Inc. ("**Clarke**" or the "**Company**") (TSX: CKI) today announced its intention to commence a substantial issuer bid (the "**Offer**") pursuant to which the Company will offer to purchase 1,250,000 of its outstanding common shares (the "**Shares**") at a purchase price of \$10.50 per Share in cash (the "**Purchase Price**").

The Purchase Price represents a 7.6% premium over the closing price of the Shares on the TSX on December 6, 2017, the last full trading day prior to this announcement.

Details of the Offer, including instructions for tendering Shares to the Offer, will be included in the formal offer to purchase and issuer bid circular and other related documents (the "**Offer Documents**"), which are expected to be mailed to shareholders, filed with securities regulators and made available on December 11, 2017 on SEDAR at www.sedar.com and on the Company's website at www.clarkeinc.com. The Offer will not be conditional on any minimum number of Shares being tendered, but will be subject to various other conditions that are typical for a transaction of this nature.

The Offer will remain open for acceptance until January 19, 2018, unless withdrawn or extended by the Company. If more than 1,250,000 Shares (or such greater number as the Company determines it is willing to take up and pay for) are properly tendered to the Offer, the Company will take-up and pay for the tendered Shares on a pro-rata basis according to the number of Shares tendered (with adjustments to avoid the purchase of fractional Shares). The Company will fund any purchases of the Shares pursuant to the Offer from cash on hand and available credit facilities. Assuming that 1,250,000 Shares are purchased pursuant to the Offer, the aggregate purchase price pursuant to the Offer will be \$13,125,000.

Clarke has retained Trimaven Capital Advisors ("**Trimaven**") in connection with the Offer. Trimaven is expected to deliver an opinion to the Board of Directors of the Company that, based on and subject to the qualifications, assumptions and limitations stated in the opinion: (i) a liquid market (as such term is defined in Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions*) exists for the Shares as of the date of the opinion; and (ii) it is reasonable to conclude that, following the completion of the Offer, there will be a market for shareholders who do not tender to the Offer that is not materially less liquid than the market for Shares that existed at the time of the making the Offer. A copy of the opinion of Trimaven will be included in the Offer Documents.

The Board of Directors of Clarke has approved the Offer. However, neither the Company nor its Board of Directors makes any recommendation to shareholders as to whether to tender or refrain from tendering Shares to the Offer. Shareholders are strongly encouraged to review the Offer Documents carefully and to consult with their financial and tax advisors prior to making any decision with respect to the Offer.
